Lieutenant General Joseph Carroll  
Director of Defense Intelligence Agency  
Washington 25, D. C.

Dear Joe:

It gives me a great deal of pleasure to forward to you <sup>33</sup>3 copy of a Presidential citation for the National Photographic Interpretation Center. This citation provides that all Armed Forces <sup>33</sup>personnel assigned or attached to the Center are authorized to wear <sup>33</sup>their service commendation ribbons as cited in the attached memorandum.

We would like to arrange an appropriate ceremony for <sup>33</sup>the presentation of the citation to the Center and also the presentation of the individual unit commendation certificates. The Central Intelligence Agency is planning to present each of its civilian employees the Agency's commendation. We will be in touch with your office concerning the details.

Faithfully yours,
